Captain Sam.

by NeXXa

Less back-and-forth. More follow-through.

AI operations support for charter & watersports owners.

01

ENQUIRIES

Know what needs you.

Bring enquiries and priorities into focus so you can see what needs attention.

02

FOLLOW-UPS

Keep things moving.

Support follow-ups and handoffs so the next step is clear.

03

TEAM COORDINATION

Keep everyone on the same page.

Support scheduling and updates across the people involved in your day.

You stay in charge.

You set the priorities. You make the important calls.

Let's start with your day.

What's one task you'd like off your plate?

Tell us about it. Let's explore where Sam could help.
